Who am I and what am I interested in?

I am a 21-year-old aspiring student from Slovakia, currently studying informatics.
In my free time I am enthusiastic about learning JavaScript and React by building personal full stack web applications. Currently, I am actively pursuing an employment opportunity that will enable me to expand my proficiency in web development.

Education

Electrotechnical engineering   2017 - 2021
Secondary Industrial School of Electrical Engineering in Prešov
